Rate Adjustments

It's that time of year again. Please note your statement may include a rate adjustment.

Every January 1st we review every account to bring it in line with our regular monthly rates which everyone pays. If for any reason you are not paying the regular monthly rate, your current statement will reflect your new fee.

As more areas are being converted over to our new one-sort recycling program, we are providing a calendar you may view on our website. This will show the every other week recycling schedule. Feel free to click on the link @ www.buckinghamcompanies.com and print a copy to refer too.

Winter Hours for Recycling Center:

The recycling center will be closed weekday nights during the months of December, January, February, and March.

Monday - Friday 9 am - 3pm

Saturday 10 am - 2 pm

If we missed you on our routes over this past holiday season, please accept our heartfelt thanks and gratitude for all the great goodies and gifts we received from our generous customers. It was very much appreciated!

Greg, Steve, Deron, Tim, Ken, Nate and Tom W.
